It is very hard to keep up with Samsung pricing changes.

All STAP pricing is the retail price (at Best Buy, Walmart, etc) x 1.25.

For example, if you find a phone for \$460 x 1.25 = \$575.

If you find a different price for any of these phones, feel free to send it to me with your order, or by email at [heather@STAPtx.com](mailto:heather@STAPtx.com)
